### **ECCO Manufacturing™ announces new Operations Manager at Kent Distribution**

**July 2016, Kent, Washinton** – ECCO Manufacturing™ is pleased to announce the newest addition to their U.S. manufacturing operations group, Sterling Hicks, as Operations Manager.

Sterling brings over 30 years of HVAC manufacturing and management experience to the team and has a proven record of providing excellent customer service and quality. His extensive background includes production scheduling and management, lean manufacturing, financial accountability and senior management.

Sterling's broad experience and demonstrated leadership will enable ECCO Manufacturing™ to continue high rates of growth in the U.S. market.

### **About ECCO Manufacturing™**

Founded in 1960, ECCO Manufacturing™ is a leading manufacturer of sheet metal, heating, ventilation, and roofing products for the construction industry. Our manufacturing and distribution facilities are located throughout western Canada and the Pacific Northwest, U.S.A. We develop, manufacture and distribute products of consistently high quality throughout North America and internationally through select representatives. Our products are specified whenever and wherever quality and value are the foremost consideration. Visit ECCO Manufacturing™ online at [www.eccomfg.com](http://www.eccomfg.com) to learn more.
